Aluminum Malleable Roof Flashings

S2100

Security Chimneys would like to introduce the newest member of the S2100 family!

Adjustable Roof Flashings

Aluminum malleable based (dead soft) flashing can be used to accommodate chimney installation on sloped roofs made of metal or tile. Available for 6" or 7" dia. chimney.

Choose from 2 different pitches (1/12-7/12; 8/12-12/12).

Storm collar is included.
