

New Product Design

Secure Seal[®]

Security Chimneys is proud to announce a great improvement to the design of our Drain Tee Caps, Drain Lengths and Test Port Lengths:

Our Drain Tee Caps now have a 1/2" drain for diameters 3" to 5" and 1" for diameters 6" to 24".
Our Drain Lengths now have a 1/2" drain for diameters 3" to 5" and 1" for diameters 6" to 24".
Our Test Port Lengths now have a 1/2" test port for all diameters (3" to 24").
