

**SUBJECT:** Addition of Narrow Finishing Band to USP Product Catalog  
**DATE:** August 1, 2024  
**PRODUCT:** Ultimate StovePipe  
**BRANDS:** Amerivent®, Duravent™, Security Chimneys®, Selkirk®

We are pleased to announce a new addition to the Ultimate StovePipe (USP) product line. An optional Narrow Finishing Band (NFB) is now available. This is in addition to the existing Wide Finishing Band (WFB).

Designed for appliances with reduced clearance between the wall and stove, the Narrow Finishing Band provides a finished look at the Wall Thimble, Stovepipe Adapter, and/or Decorative Collar. Available in 6", 7", and 8" diameters. Hardware pack included. As with all USP products, the Narrow Finishing Band is covered by the Duravent Group Limited Lifetime Warranty.
